2. This **policy** will be void as of the date the wrongful acts described in B.1. above were committed.
3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.
4. This **policy** is also void for reasons other than fraud, misrepresentation, or wrongful act. This **policy** is void from its inception and has no legal force if the property situated at the **described location** is not eligible for coverage.

C. Other Insurance

If other valid and collectible insurance is available to you covering a loss also covered by this **policy**, other than insurance that is specifically stated to be in excess of this **policy**, the insurance afforded by this **policy** shall be in excess of and shall not contribute with such other insurance. Nothing herein shall be construed to make this **policy** subject to the terms, conditions and limitations of other insurance nor to reduce any deductible applicable to this **policy**.

D. Amendments, Waivers

This **policy** cannot be changed nor can any of its provisions be waived without our express written consent. No action that we take under the terms of this **policy** constitutes a waiver of any of our rights.

E. Cancellation

Notwithstanding anything contained in this **policy** to the contrary you may cancel this **policy** at any time by written notice or by surrendering this **policy**. This **policy** may also be cancelled by us or on our behalf by delivering to you or by mailing to you, by registered, certified or other first class mail, at the your address as shown in this **policy**, written notice stating when, not less than 30 (thirty) days thereafter, the cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice and this **policy** shall terminate at the date and hour specified in such notice.

If this **policy** shall be cancelled by you we shall retain the customary short rate proportion of the premium hereon, except that if this **policy** is on an adjustable basis we shall receive the earned premium hereon or the customary short rate proportion of any minimum premium stipulated herein whichever is the greater.

If this **policy** shall be cancelled by us or on our behalf we shall retain the pro rata proportion of the premium hereon, except that if this **policy** is on an adjustable basis we shall receive the earned premium hereon or the pro rata proportion of any minimum premium stipulated herein whichever is the greater.

Payment or tender of any unearned premium by us shall not be a condition precedent to the effectiveness of Cancellation but such payment shall be made as soon as practicable.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

F. Conditions Suspending or Restricting Coverage

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.

G. Requirements In Case of Loss

In case of a **flood** loss to the insured property, you must:

1. Give prompt written notice to us;
2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;
3. Prepare an inventory of damaged property showing the quality, description, **actual cash value**, and amount of loss. Attach all bills, receipts, and related documents;
4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the **policy**, signed and sworn to by you, and which furnishes us with the following information:
 - a. The date and time of the loss;
 - b. A brief explanation of how the loss happened;
 - c. Your interest in the property damaged and the interests, if any, of others in the damaged property;
 - d. Details of any other insurance that may cover the loss;
 - e. Changes in title or occupancy of the covered property during the term of the **policy**;
 - f. Specifications of damaged insured **buildings** and detailed repair estimates;
 - g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
 - h. Details about who occupied the covered **building** at the time of loss and for what purpose; and
 - i. The inventory of damaged personal property described in G.3 above.
5. In completing the proof of loss, you must use your own judgement concerning the amount of loss and justify that amount.
6. You must cooperate with the adjuster or representative in the investigation of the claim.
7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within 60 days after the loss even if the adjuster does not furnish the form or help you complete it.
8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.
9. At our option, we may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, we may require you to swear to the report.

H. Our Options After a Loss

Options we may, in our sole discretion, exercise after loss include the following:

1. At such reasonable times and places that we may designate, you must:
 - a. Show us or our representative the damaged property;
 - b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and
 - c. Permit us to examine and make extracts and copies of:
 - (1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;
 - (2) **Condominium association** documents including the Declarations of the **condominium**, its Articles of Association or Incorporation, Bylaws, rules and regulations and other relevant documents; and
 - (3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.
2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:
 - a. Quantities and costs;
 - b. **Actual cash values** or replacement cost (whichever is appropriate);
 - c. Amounts of loss claimed;
 - d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and
 - e. Evidence that prior **flood** damage has been repaired.
3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:
 - a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and
 - b. Take all or any part of the damaged property at the value we agree upon or its appraised value.

I. No Benefit To Bailee

No person or organization, other than you, having custody of covered property will benefit from this insurance.

J. Loss Payment

1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the **policy** or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or

within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:

- a. We reach an agreement with you;
 - b. There is an entry of a final judgment; or
 - c. There is a filing of an appraisal award with us, as provided in VIII.M.
2. If we reject your proof of loss in whole or in part, you may:
- a. Accept our denial of your claim;
 - b. Exercise your rights under this **policy**; or
 - c. File an amended proof of loss, as long as it is filed within 60 days of the date of the loss.

K. Abandonment

You may not abandon to us damaged or undamaged property insured under this **policy**.

L. Salvage

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under this **policy** by the value of the salvage.

M. Appraisal

If you and we fail to agree on the **actual cash value** or, if applicable, replacement cost of your damaged property to settle upon the amount of loss, then either may demand an appraisal of the loss. In this event, you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge or a court of record in the State where the covered property is located. The appraisers will separately state the **actual cash value**, the replacement cost, and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of **actual cash value** and loss, or if it applies, the replacement cost and loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

N. Mortgage Clause

The word “mortgagee” includes trustee.

Any loss payable under Coverage A – Building property will be paid to any mortgagee of whom we have actual notice as well as any other mortgagee or loss payee determined to exist at the time of the loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
2. Pays any premium due under this **policy** on demand if you have neglected to pay the premium; and
3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All the other terms of this **policy** apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the **building**.

If we decide to cancel or not renew this **policy**, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or non-renewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee’s claim.

O. Suit Against Us

You may not sue us to recover money under this **policy** unless you have complied with all the conditions and requirements of the **policy**. If you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim.

P. Subrogation

Whenever we make a payment for a loss under this **Policy**, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first, before you may keep any of that money.

Q. Continuous Lake Flooding

If your insured **building** has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured **building** equal to or greater than the **building policy** limits plus the deductible, or the maximum payable under the **policy** for any one **building** loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:

- a. To make no further claim under this **policy**;
- b. Not to seek renewal of this **policy**; and
- c. Not to seek a premium refund for current or prior terms.

If the **policy** term ends before the insured **building** has been flooded continuously for 90 days, the provisions of this paragraph will apply when the insured **building** suffers a covered loss before the **policy** term ends.

R. Loss Settlement

1. Introduction

This **policy** provides three methods of settling losses: Replacement Cost, Special Loss Settlement, and **Actual Cash Value**. Each method is used for a different type of property as explained below.

- a. Replacement Cost loss settlement, described in R.2. below, applies to buildings other than manufactured homes or travel trailers.
- b. Special loss settlement, described in R.3 below applies to a **residential condominium building** that is a travel trailer or a manufactured home..
- c. **Actual Cash Value** loss settlement applies to all other property covered under this **policy**, as outlined in R.4 below.

2. Replacement Cost Loss Settlement

- a. We will pay to repair or replace the damaged or destroyed building without deduction for depreciation, but not more than the least of the following amounts:
 - (1) The limit of liability that applies to the insured building;
 - (2) The replacement cost of that part of the building damaged, with materials of like kind and quality, and for like occupancy and use; or
 - (3) The necessary amount actually spent to repair or replace the damaged part of the building for like occupancy and use.
- b. We will not be liable for any loss on a Replacement Cost Coverage basis unless and until actual repair or replacement of the damaged building or parts thereof is completed.

c. If the building is rebuilt at a location, other than the described location, we will pay no more than it would have cost to repair or rebuild at the described location, subject to all other terms of Replacement Cost loss settlement.

3. Special Loss Settlement

a. The following loss settlement conditions apply to a residential condominium building that is:-

- (1) A manufactured home or a travel trailer, as defined in II.B.4.b and c; and
- (2) At least 16 feet wide when fully assembled and has an area of at least 600 square feet within its perimeter walls when fully assembled, and

b. If such a **dwelling** is totally destroyed or damaged to such an extent that, in our judgement, it is not economically feasible to repair, at least to its pre-damage condition, we will, at our discretion, pay the least of the following amounts:

- (1) The lesser of the replacement cost of the dwelling or 1.5 times the **actual cash value**; or
- (2) The **building** limit of liability shown on your **Declarations Page**.

c. If such a manufactured home or travel trailer is partially damaged and, in our judgement, it is economically feasible to repair to its pre-damage condition, we will settle the loss accordingly to the Replacement Cost loss settlement conditions in R.2 above.

4. Actual Cash Value Loss Settlement

a. The types of property noted below are subject to **actual cash value** loss settlement.

- a. Personal Property.
- b. Insured property abandoned after a loss and remains as debris anywhere on the **described location**
- c. Outdoor awnings, outdoor antennas or aerials of any type, and other outdoor equipment
- d. Carpeting and pads;
- e. Appliances; and
- f. A manufactured or mobile home or a travel trailer as defined in II.B.4.b or c that does not meet the condition for Special Loss Settlement in R.3 above.

b. We will pay the least of the following amounts:-

- (1) The applicable Limit stated in the Declarations Page of this policy;
- (2) The actual cash value (as defined in II.1); or
- (3) The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

VIII. COINSURANCE

A. This Coinsurance section applies only to coverage on the building.

B. We will impose a penalty on loss payment unless the amount of insurance applicable to the damaged building is:

1. At least 80 percent of its replacement cost; or
 2. The maximum amount of insurance available for that building under the NFIP,
- whichever is less.

C. If the actual amount of insurance on the building is less than the required amount in accordance with the terms of Clause B. above, then loss payment is determined as follows (subject to all other relevant conditions in this policy, including those pertaining to valuation, adjustment, settlement, and payment of loss):

1. Divide the actual amount of insurance carried on the building by the required amount of insurance.
2. Multiply the amount of loss, before application of the deductible, by the figure determined in C.1. above.
3. Subtract the deductible from the figure determined in C.2. above.

We will pay the amount determined in C.3. above, or the amount of insurance carried, whichever is less. The amount of insurance carried, if in excess of the applicable maximum amount of insurance available under the NFIP, is reduced accordingly.

Examples

Example #1 (Inadequate Insurance)

Replacement value of the building \$250,000
Required amount of insurance \$200,00 (80% of replacement value of \$250,000)
Actual amount of insurance carried \$180,000
Amount of the loss \$150,000
Deductible \$500

Step 1: $180,000 \div 200,000 = .90$ (90% of what should be carried)
Step 2: $150,000 \times .90 = 135,000$
Step 3: $135,000 - 500 = 134,500$

We will pay no more than \$134,500. The remaining \$15,500 is not covered due to the coinsurance penalty (\$15,000) and application of the deductible (\$500).

Example #2 (Adequate Insurance)

Replacement value of the building \$500,000
Required amount of insurance \$400,000 (80% of replacement value of \$500,000)
Actual amount of insurance carried \$400,000
Amount of the loss \$200,000
Deductible \$500

In this example there is no coinsurance penalty, because the actual amount of insurance carried meets the required amount. We will pay no more than \$199,500 (\$200,000 amount of loss minus the \$500 deductible).

D. In calculating the full replacement cost of a building:

1. The replacement cost value of any covered building property will be included;
2. The replacement cost value of any building property not covered under this policy will not be included; and
3. Only the replacement cost value of improvements installed by the condominium association will be included.
